

Kagami-Biraki

Please help us welcome in the New Year at Tohkon Judo Academy's annual Kagami-Biraki celebration. The festivities will begin with the traditional rice pounding ceremony, Mochi-Tsuki. Complimentary sweet rice cakes, Mochi, will be available to all participants. Rev. Oki will perform a traditional Japanese Shinto purification service, and entertainment will be provided by Kokyo Taiko, JASC Tsukasa Taiko and Fujima Ryu of Chicago, with judo demonstrations by Tohkon members. We will conclude with a potluck fellowship luncheon, and we ask for your support in bringing a serving of one of your specialties to share with others.
