

Kagami-Biraki

Please help us welcome in the New Year at Tohkon Judo Academy's annual Kagami-Biraki celebration. The festivities will begin with the traditional rice pounding ceremony, Mochi-Tsuki. Complimentary sweet rice cakes, Mochi, will be available to all participants. Rev. Oki will perform a traditional Japanese Tenrikyo purification service, and entertainment will be provided by Kokyo Taiko, Chicago Aikido Club and Tohkon. We will conclude with a potluck fellowship luncheon, and we ask for your support in bringing a serving of one of your specialties to share with others.
