JAPANESE AMERICAN CIVIC ENGAGEMENT

Featured Speaker: STEVE MOON, AAJ-Chicago

As we start out a new year of programming for the Memories of Now (MON) seminar series, the Japanese American Service Committee (JASC) and the Japanese American Citizens League - Chicago Chapter (JAACL Chicago) are collaborating on a program to raise awareness of issues related to Illinois state government.

The program will start with a speaker from the Japanese American community who will provide an overview of how Illinois state government is organized and functions.

In addition, our featured speaker will be Steve Moon, Director of Organizing at Asian Americans Advancing Justice - Chicago, who will talk about the current tax system in Illinois, and discuss current initiatives to reform the tax system to make it more equitable. Mr. Moon has over a decade of experience in youth development and organizing, and holds a MSW from the University of Chicago's School of Social Service Administration, a MA in Asian American Studies from UCLA, and a BA in English from the University of Michigan. Through his work with Asian Americans Advancing Justice - Chicago and his other community affiliations,

Steve remains committed to liberatory pedagogy, critical creative arts including Hip Hop, and mental health for immigrant and refugee communities.

We look forward to seeing you at this important program, as we learn about Illinois state government and how it functions, and also about the importance of mobilizing our Japanese American and Asian American communities to become more involved in electoral politics.

Limited free parking is available in the JASC lot, and light refreshments will be served.
