

JASC 2019 HEALTH FAIR

**SATURDAY, SEPTEMBER 28,
2019**

9:00 AM – 1:00 PM

JASC is providing participants with **blood chemistry** tests (details below), **flu shots, shingles** and **pneumonia vaccines** (health insurance accepted) and a free **blood pressure** reading and a free presentation by Swedish Covenant Hospital on **stroke risks, signs and prevention**.

Health specialists will be on hand to answer your questions regarding healthy practices including diet, diabetes maintenance, and heart health.

The basic blood chemistry test examines cholesterol levels, liver and kidney function, and electrolytes. Participants can also elect to be screened for prostate cancer, stomach bacteria levels, and glucose levels (diabetes).

Blood Chemistry tests:	JASC Members	Non-Members
Basic Screening	\$55	\$ 110
Prostatic Specific Antigen (Prostate Cancer	\$25	\$50
Helicobacter Pylori-IgG (Stomach Bacteria)	\$35	\$60
Hepatitis C	\$20	\$35
Glycohemoglobin (Diabetes)	\$20	\$35
Thyroid Stimulating Hormone Test	\$20	\$35

Appointments for the blood chemistry test are made on the half-hour. Flu, shingles and pneumonia shots will be administered on a first-come, first-served basis. Blood pressure readings and consult with health professionals will be available to all who attend the Health Fair.
